PROTECTION SYMPOSIUM

Dear colleagues and friends.
We are excited to announce the upcoming 15th CBRNe Protection Symposium 2025 and the Exhibition of CBRNe Protection Equipment.

The symposium is scheduled to take place in
Malmö, Sweden, 30 September–2 October 2025.

This symposium will provide an opportunity to network with peers,
gain insights from esteemed speakers, and explore cutting-edge
CBRNe products and research.

More information will be posted on the website.
We look forward to welcoming you to the 15th CBRNe
Protection Symposium in Malmö, Sweden.
